PEDESTRIAN SAFETY WORKSHOP
Tule River Community Gymnasium

This community workshop will bring together community members, seniors, people with disabilities, parents, youths, and pedestrian safety advocates to develop shared strategies to promote a safer walking environment. Based on the latest research and best practices, the workshop will provide you with a basic understanding of how to set priorities for improving pedestrian safety in Tule River.

Dinner & childcare will be provided.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
