

## Community Pedestrian and Bicycle Safety Training

We're making walking and biking safer in the Conway Homes Community! Join us in identifying priorities to make walking and biking safer for older adults, youth, parents, and people using assisted mobility devices in the Conway Homes Community.

- Please wear comfortable shoes; a community walk is a part of this event for those able to participate.
- Breakfast, childcare, and interpretation from English to Spanish and Hmong will be available. Doors and registration open at 8:00 AM.
