

safe streets workshop

Community Pedestrian and Bicycle Safety Training

Join us in identifying priorities to make walking and biking safer for older adults, youth, parents, and people using assisted mobility devices in San Jose McKinley Bonita! **A community walk is a part of this event for those able to participate; please wear comfortable shoes.**

Breakfast, interpretation services from English to Spanish, and children's activities will be available.

Doors and registration open at 8:30 a.m.

Register online: <http://bit.ly/WalkBikeSJMckinleyBonita>

Text or call to register: (408) 693-0602

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
