**MEETING PURPOSE** This community workshop will offer you an opportunity to learn about Vision Zero, and share your input on traffic safety along the Priority Safety Streets in your neighborhood (see highlighted streets on the map on the reverse of this card). Please join us to share your ideas on improving traffic safety and learn how to make walking, biking, and driving safer for seniors, youth, persons with disabilities, and all other community members.

The workshop will be divided into two parts. The first part will cover general traffic safety education and discussion. The second part, attendees will have the opportunity to participate in a sample traffic safety Walk + Bike Assessment on Hillsdale Avenue.

**GET INVOLVED. MAKE A DIFFERENCE. JOIN US.**
