

Community Pedestrian and Bicycle Safety Training

Join us to learn how to make walking and biking safer in Arden-Arcade! Together with neighbors, you will identify priorities to share with Sacramento County on how to make walking and biking safer for everyone, including seniors, youth, parents, and people with disabilities.

Please wear comfortable shoes; a community walk is a part of this event for those able to participate. A light lunch will be provided. Doors and registration open at 11:00 AM, workshop starts at 12:00 PM.

**Register online: <http://bit.ly/Arden-Arcade>
Text or call: (714) 742 - 0741**

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
