

Delhi Community Safe Routes to School Launch Workshop

Help make walking and rolling safer for kids in Delhi!

Join us to learn about Safe Routes to School in Delhi!

During this workshop you will hear about ways to make walking and rolling to and from school safer, convenient and fun.

Together with other community members, parents, students, city representatives and school staff, you will identify barriers to walking and rolling and opportunities for improvements.

You will leave the workshop ready to work with your community partners in Delhi's Safe Routes to School.

Dinner, Childcare and Interpretation available.

Wednesday May 23, 2018
