

# Peer Exchange Series 2024

## My community is eager to collaborate and grow! Where do we go from here?

We are excited to once again host our virtual three-part Peer Exchange series in the new year! The series supports communities as they work to implement pedestrian and bicycle transportation safety programming and improvements. For more information contact Areli at [Arelib@berkeley.edu](mailto:Arelib@berkeley.edu)

## Peer Exchange Series

### Building a Collaborative and Equitable Transportation Vision with Decision-Makers- February 13, 2024

We will discuss the different strategies employed by transportation advocates to advance active transportation projects that promote safety for people walking, rolling, or biking in the community. This session will be offered in Spanish on February 27, 2024.

### Construyendo una visión de transporte colaborativa y equitativa con personas con capacidad decisoria- February 27, 2024

Platicaremos sobre las diferentes estrategias empleadas por los defensores del transporte para promover proyectos de transporte activo que promuevan la seguridad de las personas que caminan, ruedan o andan en bicicleta en la comunidad.

### Cultivating Youth Leadership in Transportation Spaces- March 12, 2024

We will discuss the strategies needed to include and strengthen youth voices and collaboration in active transportation advocacy.

If you require an accommodation for effective communication (ASL interpreting/CART captioning) to fully participate in this series, please contact our Access Coordinator Lisa Peterson at [lisapeterson@berkeley.edu](mailto:lisapeterson@berkeley.edu) with as much advance notice as possible and at least 7-10 days in advance of the event.
