

# My community is energized about pedestrian and bicycle safety! Where do we go from here?

## *A 2023 Peer Exchange Series*

Once again, we are proud to host our three-part Peer Exchange program! The series supports communities as they work to implement pedestrian and bicycle transportation safety programming and improvements. All meetings will take place Wednesdays at 11 am, click on each title to register.

### [Funding pedestrian and bicycle safety - January 18, 2023](#)

Developing, applying for, and managing grants to fund pedestrian and bicycle safety.

### [Media framing and advocacy - February 1, 2023](#)

Attracting news media and framing pedestrian and bike mobility, the Safe System Approach, and reporting of crashes.

### [Safe Routes to Parks - February 15, 2023](#)

Promote safe and active routes to parks and green spaces in urban and rural neighborhoods.

We invite participants who were involved in a pedestrian or bicycle safety workshop hosted by SafeTREC and Cal Walks in the past few years to join us to share your successes and challenges, and hear about best practices from your peers and colleagues.

If you require an accommodation for effective communication (ASL interpretation/CART captioning, alternative media formats, etc.) or information about campus mobility access features in order to fully participate in this event, please contact Lisa Peterson at [lisapeterson@berkeley.edu](mailto:lisapeterson@berkeley.edu) with as much advance notice as possible and at least 7-10 days in advance of the event.

If you have any questions, please contact Jill Cooper at [cooperj@berkeley.edu](mailto:cooperj@berkeley.edu).

Berkeley SafeTREC

*Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.*
