

Tribal Transportation Safety Assessment (TTSA) State Planning Research (SPR)

Caltrans®

Berkeley SafeTREC

SAFE TRANSPORTATION RESEARCH AND EDUCATION CENTER

National Indian
Justice Center

Caltrans, Division of Transportation Planning (DOTP), Native American Liaison Branch (NALB), in collaboration with UC-Berkeley - SafeTREC and National Indian Justice Center (NIJC) will provide California Native American Tribal Governments with expert, focused, and independent Tribal Transportation Safety Assessments (TTSA). The goal of this project is to reduce injuries and fatalities on all roadways that serve California Native American reservations, and Rancherias, as well as roadways accessing their lands, by conducting TTSA for selected tribal governments.

We are conducting one more one-hour informational webinar, in which we will present the process of the assessments, and you can ask any questions. The Webinar is offered on:

December 17, 2019, 2:00 p.m. – 3:00 p.m.

You need to register in advance:

<https://berkeley.zoom.us/meeting/register/up0lce-prjojHsSKAg1DKagBRnOfvLolRQ>

After registering, you will receive a confirmation email containing information about joining the meeting.

For more information about the Program, please check:
